

MKHONDO
LOCAL MUNICIPALITY

MUNICIPAL NOTICE NO: 25/17/04-2026

IMPLEMENTATION OF THE ELECTRONIC SYSTEM FOR PLANNING AND LAND USE MANAGEMENT

The Mkhondo Local Municipality would like to inform all members of the public and other relevant stakeholders that COGHSTA has developed the e-Participatory Governance and Land Use Management ICT system called e-PGLUM with effect from the date of this publication. This system has been introduced to improve efficiency and effectiveness in the processing of the following functions:

- User administration
- Land use management
- Outdoor advertising
- Building plans
- Compliance
- Appeals
- Comments, objection and intervention
- Management reports
- Citizen dashboard

The stakeholders are further informed the e-PGLUM system is now live and can be accessed on epglum.co.za, to register and submit applications on. The Municipality encourages the members of the public and other stakeholders to utilize the new system to ensure faster and more transparent application processing.

For any enquiries or assistance regarding registration or application submission, kindly contact the Senior Town Planner, Z. Lushaba on 017 004 0325 or ZLushaba@mkhondo.gov.za

M.J MKHONZA
